IN THE MATTER OF THE APPLICATION)
OF TTI NATIONAL, INC. TO INCREASE)
ITS DIRECTORY ASSISTANCE CHARGE.) T-03197A-01-0100

1. This affidavit is provided in response to an inquiry by the Staff of the Arizona Corporations Commission's ("ACC") Utilities Division.
2. On January 31, 2001, TTI National, Inc. ("TTI National") filed Transmittal Letter No. 01-02 seeking to increase its intrastate directory assistance charge. By ACC Decision No. 63943 issued August 10, 2001, TTI National's application was denied.
3. TTI National never implemented its desired rate increase.
4. A letter dated September 24, 2001 to TTI National from Patrick C. Williams of the ACC's Utilities Division (the "Letter") states that TTI National's customer service representatives and web site indicated to Staff of the Utilities Division that TTI National was charging an unauthorized rate of \$1.99 for intrastate directory assistance calls. TTI National was also directed by the Letter to file an affidavit

stating that it is no longer charging the unauthorized rate and has refunded any over-collection.

5. TTI National states that it never implemented its desired rate increase to \$1.99 for intrastate directory assistance calls. Therefore, it never charged customers an unauthorized rate for intrastate directory assistance calls. Since it did not charge any unauthorized rate, refunds for over-charges are not applicable. (TTI National's rate for interstate directory assistance calls remains \$1.99.)
